

Dear Scholarship/Recipient/Student,

Congratulations on completing your academic year.

As you continue your studies, we would love to hear about your success and how the scholarship has helped you focus and succeed without having to worry about funding your education on your own or through other means. It would also help and inspire other applicants to apply for their scholarship to pursue their own education and improve the quality of their lives.

You could submit your honest testimonial in a few sentences and/or record a short video of your success from receiving the scholarship and your own hard work. You can send it to **nft@nachiappanfoundation.org**

We wish you continued success. Pay it forward.

Thank you.

Best,

Trustees of the
Nachiappan Foundation Trust
